FSA Leaders Formulate Plans In Savings Effort

Saving, as well as production, proves a large factor in the Victory Program, say the FSA group leaders in Coffee County.

These rural leaders, following a recent meeting to formulate plans, are spreading the "savings" policy among their neighbors in their communities. The list of methods they advise include: Save the money from the sale of your peanuts, cotton and part of your hog for payments on loans and rentals. This can be done by growing some extra hog, yearlings, chickens, eggs, butter, cream and vegetables with which to purchase food, clothing, feed and seed. All money from the farm above rent and payments on debts will then be operating capital for 1943, saving the necessity of borrowing money.

Save money—The best way is to buy all things carefully and pay cash. Buy war savings stamps and bonds. Improve the grade and yield per acre of regular you raise. Increase and improve the quality of eggs, cream, butter and hogs. Save seed from the garden, peanut crop, cotton crop, sweet potatoes, oats and cane. Save better calves, best gilts, timber trees, prevent forest fires, care for fruit trees.

Save everything—Aluminum, scrap iron, old sacks, paper, rags, shaving cream and toothpaste tubes, old rubber, etc. Save tin. This will cost you no money and will help Uncle Sam.

Save your farm machinery by repairing it—The repair of all tools can be made through the vocational repair shops at the various schools in the county. Parts for plows, wagons, cultivators, etc., will become harder to get as time goes on. Save them, repair them, and keep them out of the weather.

Save the tires of your farm and home supervisors by meeting them in groups. All meetings held will be important. Be there. Save money and help save our country!

BAPTIST BUSINESS WOMEN MET MONDAY

The Business Women's Circle was the Baptist Missionary Union was delightfully entertained Monday evening at 8 o'clock with Mrs. Baxter Bryan as hostess.

Baskets of red hot dogwood adorned the lovely Bryan home. Mrs. J. W. Kendrick, president, conducted the business session. Roll call and minutes of the last meeting were read by the secretary, Miss Elzie Sellers.

BARRED ROCK FULLEN LAYS ALL TWO-YOLK EGGS

Mr. J. W. Talley, living on Smith Avenue, reports that he has a five-month-old barred rock pullet that specializes in eggs of the double-yolk variety. Mr. Talley says the pullet has laid eight eggs so far and all of them have contained two yolks.

BETA CLUB MET TUESDAY; HAS BUSY SESSION

The Beta Club of the Elba High School held its regular meeting Tuesday, March 31, with Miss Betty Jean Bullard, president, presiding. Roll call and minutes were read by Miss Ida Isabel Whitman, secretary.

One of the club's objectives is to assist in every way the defense program and in this connection has bought defense stamps, helped to save and collect waste paper and other needed articles.

The following committee was appointed to sell defense stamps to business men of the city: Willard Martin, Hendrix Jeter, Lamar Rainer, John Frank Lindsey and Joe Brooks. The club voted to contribute \$10 to the school library.

WAR TIME TO RULE IN MAY 5 PRIMARY

MONTGOMERY, Ala., March 25.—War time "is controlling for the State of Alabama in the conduct of its official business" and consequently governs the time of opening and closing of the polls in all elections, Attorney General Thomas S. Lawson ruled Tuesday in response to inquiry from Probate Judge W. W. Hill of Montgomery County.

In another opinion to Judge Hill, in response to his inquiry as to dates of issuance of absentee ballots by probate judges, the attorney-general held that the first day before the date of election, and the last day, the 5th day before the election. Applying these rules to the Democratic primary to be held May 5, the opinion pointed out that application for absentee ballots may be made beginning April 15 and ending April 30th.

In another ruling, rendered to Probate Judge F. B. Thompson of Clay County, Atty. Gen. Lawson held that a qualified voter who is absent from his county during the hours the polls are open by reason of his regular business may secure and cast an absentee ballot even though he may be in the county on election day, and the polls are opened and after they are closed.

MRS. KENDRICK HOSTESS TO MUSIC LOVERS' CLUB

The Elba Music Lovers' Club was delightfully entertained for its March meeting in the home of Mrs. T. D. Kendrick on Thursday afternoon, with Mrs. Jeff Kendrick as hostess.

The home was attractively decorated with Spring flowers and plants.

Mrs. T. D. Kendrick, president, conducted the business session. Roll call and minutes of the last meeting were read by Mrs. Jeff Kendrick, Jr., secretary. Plans of the State Convention to be held in Montgomery early in April were discussed.

BIRTHDAY CELEBRATION

Friends and relatives met at the home of Uncle Snake Dean to celebrate his 57th birthday. As it was a pretty day, all of his children were present.

Those present were: Mr. and Mrs. Odel Henderson and children, Comer Ray, Lou Ellen and Waylan Henderson; Mr. and Mrs. B. Dean and baby, Kenneth; Mrs. R. L. Martin, Miss Gladys Clark, Miss Mabel Brunson, Miss Elzie Sellers, Mrs. J. A. Timmerman and the hostess, Mrs. Baxter Bryan.

PAUL VAUGHN APPOINTED SANITATION OFFICER

We are informed that Mr. Paul E. Vaughn will leave in the near future for Barbour County, where he has received appointment as sanitation officer. He recently completed a course in sanitation in a Montgomery school.

Pine Seedlings Will Be Given To School Children

Plans to further a general campaign to keep fires out of woodlands are being mapped out by various leaders in Coffee County, together with a program of reforestation. W. L. Shaddix, of the Southern States Forest Fire Commission with headquarters in Columbus, Ga., is in Elba and Enterprise this week in the interest of the plan to distribute free slash pine seedlings to school children of the county this Fall.

An allotment of seedlings was made early in the year by the Commission, to be awarded to boys and girls who have taken the lead in keeping fires out of their respective communities, and the plan is to increase this allotment, and perhaps to include some Douglas Fir, White Pine, and Spruce to schools which feature reforestation, Mr. Shaddix stated.

One of the main incentives to schools which feature reforestation is the fact that slash pine seedlings for milk cows, Mr. Shaddix stated. "Burnt over land produces grass quicker, and the grass will get tough quicker, and year after year the quality of the grass is lowered, so that finally a milk cow will starve on such grazing," Mr. Shaddix stated.

The Commission plan is to organize a volunteer fire patrol in each school among teen age boys, and to interest the girls in reforestation, as well as landscaping. "A girl who gets out with a hoe and digs in the ground will make herself more beautiful, will enjoy more, and will have a finer personality, as well as being better educated," Mr. Shaddix said.

We are as anxious to enroll girl foresters as boys, not only for the benefit of the trees, but also for the benefit of the girls themselves," Mr. Shaddix added.

JUNIOR MUSIC CLUB IS ENTERTAINED

Misses Frances Boutwell and Mamie Blackmon were joint hostesses to the Junior Music Club in the Boutwell home on Wednesday afternoon.

Miss Julie Bradley, president, presided and conducted the business which included the appointment of the following nominating committee to name officers for the new year: Betty Jean Bullard, Olive Ray Kendrick and Ida Isabel Whitman. Roll call and minutes of last meeting read by the secretary, Ida Isabel Whitman.

The next meeting was announced to be held in April with Martha Edmondson and Betty Ann Farris as hostesses. The club voted to have a picnic instead of the usual dinner for the last meeting of the club year in May.

Mary Will Kendrick served as program chairman for the afternoon's study of "The Opera." No-na Braswell discussed "The Modern Opera and Nina English discussed "Opera In the Time of Gluck, Mozart and Beethoven." Claudine Fleming told the story of the opera "Martha" (Flotow) and Mrs. Arden Bradley played as a piano solo, "Ah, So Pure," from the opera "Aida" (Verdi). Julie Bradley told the story of "Lohengrin." Catherine Mullins gave a piano solo, "Andante" from Gluck's opera, "Orpheus and Eurydice." Following the story of "Il Trovatore," told by Peggy Blue, Mrs. Arden Bradley, substituting for Martha Ann Dixon, played "Ah, I Have Sighed To Rest Me," from the Prison Scene.

New 40 Mile Per Hour Speed Limit To Be Enforced

MONTGOMERY, Ala., March 26.—Warning tickets will be issued and arrests will be made where necessary to enforce the 40 miles per hour speed limit which went into effect Wednesday, April 1. Major James F. Brawner, director of the State Department of Public Safety, has announced.

"Where a driver caught speeding displays the right attitude and a willingness to correct his fault," Major Brawner said, "warning" tickets will be issued to start with. However, motorists should keep in mind that these and other warning tickets accumulate on their files and sometimes lead to loss of a driver's license if his record becomes too serious.

"Arrests will be made where our patrol officers, in isolated cases, find motorists inclined to ignore or defy the new speed limit."

The 40 m. p. h. regulation was proclaimed as a rubber conservation measure, at the request of President Roosevelt.

BETTER HOMES LEADERSHIP SCHOOL, ELBA COURT HOUSE

HARDMAN WILL SUPPORT SHERLOCK FOR GOVERNOR

MONTGOMERY, Ala., March 30.—Ben Hardman, Secretary to Mrs. Bibb Graves while she served in the United States Senate and who later served as legal adviser to the late Governor Bibb Graves, has announced his endorsement for Chris Sherlock for Governor and is actively identified in Mr. Sherlock's campaign.

In a statement released to newspapers, Hardman, charged to Chauncey Sparks, one of Sherlock's opponents, "has taken a stand as different from the principles advocated by Bibb Graves as night from day."

Changing that Sparks is a reactionary, Hardman said, "Chris Sherlock has made the statement that so far as he can, he will carry out the policies and ideals of government for which Bibb Graves stood."

He said Sherlock has been a faithful public servant for many years, has an enviable record in the State Highway Department, where he served as Director, and that he will make no distinction between the policies and ideals of government for which Bibb Graves stood.

POWDERED BORAX GREAT FLY AND MOSQUITO KILLER

Powdered borax is one of the most effective and inexpensive remedies against both the house fly and the mosquito.

The housefly breeds and feeds in filth, especially fresh horse manure. But if fly-breeding material is treated with borax, the maggots will be killed before they can escape and develop into flies.

Borax is also effective in keeping down the mosquito population. House mosquitoes may breed in any standing water, even in discarded tin cans holding very small amounts of water. Where such breeding places cannot be eliminated or screened, the addition of a small handful of powdered borax to each bucketful of water may prevent much mosquito trouble.

BETTER GRAPES COME FROM SPRAYED VINES

AUBURN, Ala.—Alabama vineyard operators and home gardeners can boost fruit yields and quality if they spray their grape vines early this spring with a standard 4-4-50 borax mixture, says W. A. Ruffin, extension horticulturist.

Although winter pruning eliminates much disease-harboring old wood, infection is likely in spring unless vines are sprayed.

MANY ALABAMA FARMERS TO PLANT EDDIE SOYBEANS

AUBURN, Ala.—Many Alabama farmers will plant soybeans—a health-giving and hardy-growing edible—for the first time this spring.

Eddie soybeans are easy to grow, bear early, resist drought and have an endurance which makes them easy to succeed where other vegetables may fail.

In a bulletin entitled "Eddie Soybeans for Alabama," Drs. W. C. Sherman and H. R. Albright, of the Alabama Experiment Station, point out that soybeans are very high in protein and fat.

Work at the Experiment Station indicates that late maturing varieties (September) are the best edible soybeans. The Rotun and Tokyo are recommended particularly because they yield well and are considered of excellent quality.

BRITISHER URGES FULL HARMONY IN WAR EFFORT

(By Mrs. L. C. Hutchinson)

Stating that "the salvation of the future lies in a true and deep understanding of our two countries," Sir Anthony Lindsay-Hogg, lieutenant in command of R. A. F. cadets at Napier Field, Doham, addressed the Enterprise Rotary Club and guests at the weekly luncheon meeting held in the luncheon of the Enterprise City school, Tuesday night, March 24.

"Complete harmony and understanding will not come overnight to peoples of varied interests, experiences and ideas, but we must seek it diligently with patience and with faith. Tolerance is necessary, for both have our own problems but we know that both democracies have many fine things to share."

Styling himself an ordinary citizen of the United States, Sir Anthony told of his experiences and observations since coming to America. He said that he had returned to England in 1918, and that he had seen the United States and its people.

He served with the fighter pilot corps in England, and he had seen the United States and its people. He said that he had seen the United States and its people.

CHRIST AND LIFE AFTER DEATH (EASTERN)

LESSON TEXT—Mark 12:24-27; 1 Cor. 15:20-22.

But thanks be to God, which gives us the victory through our Lord Jesus Christ.—1 Corinthians 15:27.

Y for Victory! By that sign have many victories indicated their confidence in a victory to come. It is only to have a victory that it is even better to be able to look back to victory already attained. That is just what we are able to do as we consider man's great and final enemy—death.

He is the Lord of the living, not of the dead; those who, even though they raise the dead, are over death, only laid aside the corruptible body for the incorruptible. They are victors, even before we are, over death.

L. LIVING, Not Dead (Mark 12:24-27).

The Sadducees, a rationalistic sect of the Jews, denied the resurrection, and so they were much mistaken. They thought that death was the end of all things. They thought that death was the end of all things.
